Identification and Type of Corner Found, Evidence used to Identify or Procedure used to Establish or Reestablish the corner:

Found 3/4" iron pipe monument at the end of a 500' radius curve in the centerline of Pullman Dr., 520.56' north of Brakeman Ct., as described in book 100 of maps, at page 26 filed in the office of the Recorder of Sacramento County, California. Set 3/4" Sacramento County brass tags in concrete for reference points. Refer to Sacramento County field notes A-256, page RP-3, 8/15/2005.

A Description of the Physical Condition of the Monument as Found and as Set or Reset:

Replaced original monument on 7/10/2006 with 2 1/2" brass disc in monument well stamped "Sacramento Co. Municipal Services, 2006" in original position after original monument was destroyed as a result of construction.
