Identification and type of corner found: Evidence used to identify or procedure used to establish or reestablish the corner:

On July 19, 2001, found 3/4" iron pipes at the beginning and end of a 500.00' radius curve, and the angle point in Fitzgerald Road. Parcel Map 42/11 shows these as dimension points. The relationship was checked and the pipes were accepted as original monuments set by the original surveyor. The pipes were referenced before construction. See County of Sacramento Field Notes Vol. A-225.

A description of the physical condition of the monument as found and as set or reset:

On August 8, 2002, set 2" Brass Disc in monument well from references, stamped "Sacramento Co. Dept. of Public Works."
